

## NEWSLETTER ISSUE 16: 19<sup>th</sup> May 2017

Dear Parents,

Class 5 welcomed Sarah Newton to St Mary's School on Wednesday, when they asked her lots of questions about the forthcoming election in June. I was very impressed with their questioning skills and it gave them a wonderful opportunity to experience the British Values of democracy and respect for other people's opinions and views.

I informed parents of the possible future cuts in budgets for schools in March. This is now a reality and with this in mind we must make savings wherever possible. From the beginning of the new academic year in September 2017, the newsletter will be posted on our school website or sent electronically to those parents who have provided us with an email address. Please use the slip attached to let us know your email address. We are also looking at setting up a Facebook page to notify parents of events and the latest news.

Providing this information electronically, will reduce our costs in ink cartridges, photocopying, paper and human resources required to carry out all of the above. **Please note, if you can't access the newsletter electronically, you will need to inform the School office staff at the beginning of the new academic year in September.**

Warm regards

Jacqui Scarborough

## **Congratulations to Class 6**

In true St Mary's style with no fuss, our Year 6 pupils completed National tests in reading and mathematics last week. They have all worked extremely hard and tried their very best and that is all we ask of them. Class 6 would also like to say a big thank you to Mrs Slater for the supply of end of SATs cookies which were yummy and eaten with gusto! Mrs Slater reported they were so polite and chuffed to pieces! Well done Class 6!

They return later today from their residential camp at Porthpean! Many thanks to the staff team accompanying them; Mrs Austin Smith, Mrs Higham, Mrs Pipkin, Mrs Draycott and Mr Blakely May.

### **FOSMS News**

#### **Friday 30<sup>th</sup> June: St. Mary's 2017 Summer Fayre**

This year's Summer Fayre is going to be packed with new stalls, new attractions, an AMAZING raffle and lots of new competitions and challenges for children and grownups. Mark your calendars and save the date! Can you donate a raffle prize?

### **Parent/Carer Survey**

We survey parents annually around this time of the year as your views are valued and welcomed. This information helps us to find out how you feel we are doing and how we can develop further. This year we have commissioned QDP to produce and collate the results of the survey. I would be grateful if you could complete the questionnaire provided and return to school by Thursday 25<sup>th</sup> May.

We are constantly working to ensure you are as informed as possible about your child's school and indeed their education and will continue to consult you about school practice. For example, last year some parents felt that more parent consultation meetings would be helpful. As a result, termly meetings have been put in place.

If you have a suggestion or an idea during the year which you feel would improve our provision, please put your suggestion in writing and place in the red box in the school entrance as you don't have to wait until the annual questionnaire is distributed!

The class with the highest number of returned questionnaires will receive £100 to purchase a resource they would like for their class. Thank you in advance for your support in this matter.

### **Parent Consultation Meetings 6<sup>th</sup> and 7<sup>th</sup> June**

The third and final round of parent consultation meetings this year take place straight after half term. If you feel that you are sufficiently informed about your child's progress and are happy to just receive a written report before the end of term, please let your child's class teacher know before meetings are timetabled next week. We make every effort to accommodate parents who have more than one child in the school so that their meetings are on the same evening. It would be very helpful if you are not planning on attending to let us know as soon as possible.

### **Sporting News**

#### **Touch Rugby**

Last Friday children from Y5 & 6 went to Falmouth School to take part in a Touch Rugby tournament and St Mary's came first! However, due to their residential camp to Porthpean they were unable to take part in the next stage of the competition on the 17<sup>th</sup> May and passed this honour to the runners up King Charles.

### **Sports Day -25<sup>th</sup> May @ 1:30pm**

### **50<sup>th</sup> Celebration for St Mary's School**

In the Autumn Term 2017 we will be celebrating 50 years on our current school site. Plans are already afoot to mark this special occasion in the history of St Mary's School.

Gareth Churcher (Parent Governor), FOSMs and Mrs Scarborough (ex pupil who transferred to the new school site on Mongleath Rd in 1967!) are involved in the planning and we are looking for anyone who would like to join the working party or has something to offer to mark the occasion. Please let us know.
