

NEWSLETTER ISSUE 4:19th October 2017

Dear Parent/Carer,

The school has been given the opportunity to take part in a project that will run jointly between schools and Devon and Cornwall Police

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has been exposed to, or involved in, any domestic incident.

Operation Encompass will ensure that a member of the school staff, known as a Key Adult, is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Finally, please don't hesitate to speak to me at the gate when I'm out and about at the beginning or end of the school day if you have any queries or suggestions.

Warm regards

Jacqui Scarborough

Attendance

After a visit last week from our Education Welfare Officer, our Attendance Policy has been reviewed. The key changes and additions are as follows:-

Any pupil identified as having attendance below 93% will have all further absence unauthorised on schools register.

However, should parent(s) provide evidence from a medical practitioner advising that the period of absence was necessary, the absence for the evidenced period will be authorised.

PERSISTENT ABSENTEEISM (PA):

A pupil becomes a 'persistent absentee' when they miss 10% or more schooling across the school year for whatever reason. Absence at this level is doing considerable damage to any child's educational prospects and we need parents' fullest support and co-operation to tackle this.

We monitor all absence thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and you will be informed of this immediately. (See Appendix 3)

PA pupils are tracked and monitored carefully through our pastoral system and we also combine this with academic mentoring where absence affects attainment.

The revised Attendance Policy can be found on our school website. www.st-marys-fal.cornwall.sch.uk
Your support in ensuring your child/ren is at school every day is important.

Behaviour Policy

Our children's behaviour is exceptionally good, but to keep in line with the DFE we have reviewed our policy which can also be found on our school website.

Old £1 coins

Please note the old £1 coins are no longer legal tender, so we will be unable to accept these after Half Term.

Dinner Money and Breakfast Club Monies

Please note that from after Half Term, the School Office will not accept money for the dinner or breakfast club meals. They should all be paid for via the Parent Pay website or if this is a problem, please see Mrs Pipkin or Mrs Neal in the school office.

An Amazing £2,000 of Fundraising

This week a cheque was handed to St Mary's School as a result of the fundraising efforts of family and friends. This will enable sensory equipment to be purchased for the school.

Tony Schorah - Chair of Governors

Tony has a long standing connection with St Mary's as his now grown-up children attended the school. Until very recently Tony was Registrar and Secretary of Falmouth University and maintains an active interest in education through research and consultancy work. He makes regular visits to the school and is the link governor for ICT, Computing and Online Safety. Tony is the link governor for Class 5.
