

Year group: 4 Autumn 2

Geography: Migration

The act of moving or being moved out of one place and into another

Relocation, emigration, departure, resettlement, dispersion, displacement, evacuation. exodus.

Geography:

As geographers, we will be learning about what migration is and how migration has affected the UK's population. We will also be learning about where migrants go to and from.

RE

As theologians, we will learn about unit 2 Prophecy and Promise. The whole theme for this year is people transformed by faith. It draws on Old Testament figures. This unit looks at the prophet Elijah. The stories about Elijah are to be found in the book of Kings.

PE

As athletes, we will learn gymnastics and netball skills

DT

As designers, we will investigate 'Keep it safe: shell, solid and combination structures'

Practise at Home:

- Daily AR reading
- Weekly reading comprehension
- Weekly spellings
- TTRS

Maths

As mathematicians, we will follow Power Maths .

Measure-area and multiplication and division.

Science

As scientists, we will learn about the three states of matter, the properties of each state of matter and how to identify which state of matter a substance is in. Particles are arranged in different ways in solids, liquids and gases giving them different properties. We will also learn how scientists use diagrams to represent the arrangement

Music

Unit 1: This Little Light of Mine. Learners will pay attention to the rhythm and phrasing, articulating and annunciating the words.
