

BIG Question: Where do we belong?

The children will be learning about the United Kingdom and its 4 countries within this topic. We will go into more detail about our capital city, learning about its history, landmarks and how people move around within the city. Additionally, we will compare the physical and human features of London to Falmouth to understand how they differ.

In Art I am excited to teach the children about sculpture and we will be working on a project to make our own medals using recycled materials. This term is focussed on food technology in DT. The children will explore where fruit and veg comes from, take part in food taste tests and eventually make a healthy vegetable soup to enjoy.

This links perfectly to our English text for this term 'Peter Rabbit'. We will be using this stimulus to write wanted posters, warning tales and letters.

Practise at Home:

Children are expected to read EVERY night. (Please write a comment in the children's reading book)

Learning of multiplication facts 2,5's and 10s

Creative Curriculum Homework Grid with activities linked to the current topic once a week (if possible)

Read Write Inc Spellings- 5 per week.
