

Creative Curriculum Homework Grid – Why is it important to stay true to myself?

Here are the homework activities for this half term. Ideally, we would like you to complete one activity each week but if you would like to do more than this, you can! Homework will be set every Monday and expected to be complete by the following Monday. Please feel free to send in a hard copy or add evidence to your child's portfolio on Dojo so we can celebrate this learning in class.
